

TEXAS BORDER SHERIFF'S COALITION

September 30, 2011

To All Virtual Deputies:

It is with the deepest gratitude that Texas Border Sheriff's Coalition thanks you for your vigilance of the Border Watch Program via BlueServo in support of the security of our nation. We at TBSC thank BlueServo and its dedicated staff for creating and maintaining the technical side to this wonderful, collaborative creation.

It is with regret that I inform you that a decision has been made by the State of Texas to give this program to the Texas Department of Public Safety to manage. We at TBSC encourage you to continue to support this vigilance to protect our borders as you have supported the public/private partnership of TBSC and BlueServo.

The program is in transition for BlueServo and the Texas Department of Public Safety and remains active. TBSC wishes the program every success, as we wish success for each of the dedicated Virtual Deputies that have served with us. Please continue to watch and report!

The program is successful because of this three legged partnership of you the public, the law enforcement partners of TBSC, and BlueServo. We thank you for that trust and service!

GOD BLESS TEXAS and the UNITED STATES OF AMERICA

Executive Director
